Re-elect

Debbie Chapman Councillor, Ward 9

Putting community first

A strong community advocate in Ward 9

COMMUNITY FIRST was my pledge in 2018, and I have always put community at the forefront of my service as councillor. If re-elected, I will continue to push for a Kitchener that is:

-  **Affordable:** with inclusive zoning policies; using City land to prioritize low-cost housing projects; with adequate, affordable housing for everyone.
-  **Equitable:** where everyone is heard; accessibility needs are met; all are treated with dignity; and all concerns are respected.
-  **Liveable:** with 15-minute complete communities; more parkland in the core; a vibrant downtown; and active transportation throughout.
-  **Sustainable:** by reducing greenhouse gas emissions; employing renewable energy sources; and requiring that new developments be net zero ready.

“What makes Chapman’s response to this project especially valuable is that she’s not just opposing, she’s proposing.”

*The Record, editorial May 4, 2022
“Kitchener must rethink core values”*

“Debbie’s dedication to fair, inclusive, foresighted decision making in one of the most diverse and challenging wards in Kitchener is most impressive.”

Sue Savor, Ward 9

“We’ve appreciated Debbie’s committed support for climate action and sustainability that puts the wellbeing of people first.”

*Kai Reimer-Watts and
Abhilasha Dewan, Ward 9*

“It’s Debbie’s face that I always see out at community events supporting people experiencing crises in housing.”

Mo Markham, Ward 9

“In Deb I have found a fearless champion for the issues my community faces.”

Helen Ramirez, Ward 9

 **Vote Chapman**

Election day is
Monday, October 24
